Mana Mana Amslam, Bintan, Indonesia 26 - 29 Jan

Lucy Horwood: *"Following the event in Malaysia, the next part of the tour involved travelling in an aircon coach for 6 hours with a DVD player to amuse the sailors all the way to Singapore. An overnight stay in the wonderful city and then a short ferry ride over to Bintan the following morning. Everything was organized so well for the sailors that they barely had to lift a finger to get to the next venue!"*

Dan Ellis, however, did lift a finger on the race course and was crowned Champion of the Mana Mana Amslam to make it two AWT events in a row. It looked, at one point, as though he would lose out to Thailand's **Kookiat Sakulfaeng** but four back-to-back wins mid contest sealed his victory. In the Ladies division Lucy took the title and finished an credible seventh overall.

TC Chua won the Masters and **Richard Toh** the Grand Masters. 10-year old **Connor Baxter** from Hawaii finished 23rd overall!
